

Henry's CSA Sign-up Form

How do I become a Member?

1 A share costs \$400. A share generally satisfies the needs of two people with a vegetarian diet, or four people with a mixed diet. A share costs \$400 for the 26-week season (\$15/week + a \$10 cookbook). If you don't think you can manage a full share, we encourage you to find a friend or family member to share with. If you do decide to share, please include an extra \$10 for your share partner's cookbook.

2 Fill out the form below and return it, along with a check for \$400, or \$410 if you are sharing.

3 Once we have received your payment, we will send you an e-mail confirming your membership.

4 Wait for the seeds, soil, sun, and rain to do their work. We look forward to greeting you with a table full of spring produce this coming May. In the meantime, please read through the CSA FAQ and other CSA information on my website.
